## New Students

### Orientation Week

The first week of term is designed to help you settle in to campus life. There are a wide range of activities from student society fairs, sports fair, social events, introduction to facilities such as the library and IT systems, and your course induction programme. We offer pre-departure events every July.

### Accommodation

Apply by 31 July each year for guaranteed University accommodation. Fees for undergraduate accommodation start from £89 per week (£3,680 for 42 weeks) with an average of around £159 per week (£6,617 for 42 weeks).

### Tuition & Accommodation Fees

We offer flexible payment plans in 1 instalment, termly or monthly payments.

### How To Apply

In order to be offered a place of study at Birmingham, you will need to meet the general entry requirements of the University, and any specific requirements for your programme.

- For an Undergraduate course, visit [www.ucas.com](http://www.ucas.com) to apply online.
- For postgraduate course, apply via our course finder pages, where each course will take you through to an application form: [www.Birmingham.ac.uk/pgcourses](http://www.Birmingham.ac.uk/pgcourses)

### Example Scholarships for 2021 entry\*

#### Law (undergraduate)

£3,000 for first year.

#### Engineering & Physical Sciences (undergraduate)

£1,500 to £3,000 for the first year, £1,500 for subsequent years.

#### Business School (postgraduate)

£2500 - full tuition fees. Check website for scholarship info

### Living in Birmingham

Whilst studying with us, you can explore our diverse and vibrant city. Nearly 40% of our population is under 25, making us Europe's youngest major city. There is so much to discover in Birmingham, from museums and theatres, to shopping centers and parks, there is something for everyone to enjoy.

\*awaiting final confirmation

**BIRMINGHAM IS A RESEARCH-INTENSIVE UNIVERSITY WITH 11 NOBEL PRIZE WINNERS AMONG OUR STAFF, STUDENTS AND ALUMNI**

## The University

Founded in 1900, University of Birmingham is a large public university located on a 276 acre campus site in Birmingham, the second largest city in the UK. The University also has a campus in Dubai. Birmingham is consistently ranked amongst the top 20 in UK national league tables and amongst the top 100 universities globally. With over 34,000 students, including 9,000 international students from over 150 countries, our students are part of a truly vibrant and global community.

There are currently over 150 students from Indonesia studying on a wide range of programmes at the University. There are a diverse range of student societies on campus, including a Indonesian Society. These student groups encourage our students to enjoy many different activities from debating to sports and music.

## Tuition Fees 2020/21

The cost of your tuition fee depends on the programme you choose, and the level at which you study. Visit our website to find out more about estimated living costs, our fees and band classification. [www.birmingham.ac.uk/internationalfees](http://www.birmingham.ac.uk/internationalfees)

## Admission Requirements

### Academic requirements (Additional English language requirements may apply)

#### Foundation Year

Grades of 7.0/10 in the High School Certificate from year 12 (SMU3), to include 7.0 in Maths for our Engineering and Physical Sciences pathway.

The University will consider students who have taken GCE A Level examinations and the International Baccalaureate (IB) for entrance to undergraduate programmes.

#### Bachelors Degree

Holders of a Diploma (D2/D3) with good grades (GPA of 3.0 or higher), from a recognised Indonesian institution may be considered for entry to the first year (or possibly second year if it's a D3) year of an undergraduate degree programme

#### Masters Degree/ PhD

Holders of the 4 year Sarjana (S1) from a recognised Indonesian institution will be considered for postgraduate study at Birmingham. Entry requirements will vary and range from a GPA of 2.8 upwards, depending on course requirements and the institution at which you have studied. Holders of the Magister (S2) from a recognised Indonesian institution will be considered for postgraduate study at Birmingham. Holders of a Diploma (D4), with good grades (GPA of 3.0 or higher), from a recognised Indonesian institution may be considered for postgraduate study at Birmingham
