LEADING SCHOOL & EXPERT TRAINING-ENGINEERING-CONSULTING

Around the world

FOR SCHOOLS-TEACHING AND CONSULTING SERVICES

The INBP 40 years' experience and know-how in the teaching of the FRENCH BOULANGERIE AND PÂTISSERIE is recognised as the reference among universities, colleges and culinary schools abroad. Our team of highly-qualified instructors travel around the world to share their passion for their trade and provide on-site hands-on trainings.

CREATION

The Institute INBP is also specialised in the creation of international bakery and pastry curriculum and schools, bringing its expertise on teaching equipments and materials, on the organisation of the classes, the training programs, the exams and diplomas, etc.

FOR BUSINESSES-COACHING, CONSULTING SERVICES, R&D, INNOVATION

The teams of the INBP are at your side to help you start, run and improve your business : Bakery creation, equipment selection, new product development, product improvement, staff training, etc.
