Gotta love Finland and Tampere

Finland

- Population: 5.5 million, 18.1 inhabitants per km² (46.6 per square mile)
- Area: 338,440 km² (131,991 square miles), Western Europe's fifth-largest country
- Safe country with an amazing natural environment: 188,000 lakes and 37 national parks
- Over 2 million saunas – there is even one in the Parliament House!
- Has the highest per capita coffee consumption in the world
- The place to see Aurora Borealis, also known as the Northern Lights
- The land of crazy sports like swamp soccer, ice swimming and many more

In international rankings of education systems, the Finnish system is **TOP** of the class.

Tampere

- 240,000 inhabitants, the third largest city in Finland and the largest inland city in the Nordic countries
- A true student city: every sixth resident is a student
- A vibrant atmosphere: 8,000 events and festivals each year
- Home of the world's only Moomin Museum
- The Sauna Capital of the World with over 20 public saunas!
- Frequently voted the best Finnish city in terms of quality of life
