## University College Dublin

University College Dublin (UCD) is the perfect choice for ambitious, talented international students aiming for a world-class degree.

The University College Dublin International Study Centre (ISC) provides pathway programmes to undergraduate degrees at UCD including Architecture, Business, Finance, Engineering, Law, Science and many more.

Upon successful completion of the International Foundation Year pathway, you will progress to your chosen undergraduate degree at UCD.

### Why UCD

**Ranked in the top 200** universities in the world (QS World University Rankings 2021)

Established in 1854 – over **150 years of tradition**

Situated on **350 acres of parkland**, one of the largest urban campuses in Europe

One of **Dublin's largest universities**, with more than 30,000 students

Over **8,400 international students** from almost 140 different countries

A **safe and caring** environment for you to excel in your studies

UCD's park campus offers everything you need from accommodation and student societies to **cutting-edge facilities** and a **career development centre**

### Why DUBLIN

Home to international companies like **Google, Pfizer, Facebook** and **IBM**, providing the best career opportunities

International graduates can **benefit from post-study work visas**, making Dublin a fantastic place to kick-start your career

One of Europe's oldest cities, dating back more than 1,000 years. The city has a rich history and culture making it an **inspiring place to live and learn**

“

I had a dream that I really wanted to live and study abroad, so I followed my dream. I had a specific goal that I really wanted to study somewhere abroad and in an English-speaking country. I researched different universities in Ireland and UCD was one of the top.

“

All my lecturers are very helpful, even though we're a small class, they're so hands-on. So if you need anything, they're always there to help.

### Sarah, Kuwait

Studied International Foundation Year in Engineering and Sciences  
Now studying BSc Human Nutrition
