## ENTRANCE EXAMINATION

Entrance exam for integrated studies includes a MCQ test and an interview that shall be completed by July 1st. MCQ test is based on high school curriculum (30 questions in Biology, 30 in Chemistry). Both, the test and the interview, are conducted in English language.

Applicants who have high scores in chemistry and biology on formally acknowledged educational systems listed here [bit.ly/admission-lsmu](http://bit.ly/admission-lsmu) are exempted from the entrance exam.

On-line exam option.

## STUDENT SUPPORT

First-year students are guided by following programmes:

- *Mentoring*
- *Tutoring*
- *Psychological counselling*
- *Student Ambassador*
- *Parent Ambassador*

## PLACE FOR YOU TO STAY

First year students have priority to apply for accommodation at the university's hostel. Students are accommodated in double room boxes. The box has one bathroom to be shared by two rooms and one kitchen serves for the whole floor. Internet access is available in all rooms.

Monthly fee at the University's hostel

~90€ per person	12 m <sup>2</sup> room*	~115€ per person	18 m <sup>2</sup> room*
--------------------	----------------------------	---------------------	----------------------------

\*room shared by 2 students
