

Make your summer a 'special' experience!

In June 2022 the Maastricht School of Management (MSM) Summer School offers you the opportunity to follow a number of business-related or industry-focused specialization courses at the MSM campus in Maastricht*, The Netherlands.

During this two-week specialization phase MSM brings together all students from the MSM on-campus MBA programs, the Online MBA (optional) and participants from MSM's Global Partner Network to enjoy an interactive and international classroom experience.

Language: English

Startdate: 11 June 2022

Duration: 2 weeks

84 hours study load per course

Diploma with assesment by MSM

6 Specializations to choose from

Why should you study in Maastricht?

- **International and multicultural environment**

A unique opportunity to interact with students coming from all corners of the world and from a diverse range of professional backgrounds. This diversity in the classroom will be a valuable addition to your learning experience and enable you to broaden your global network.

- **Study in the heart of Europe***

You will study in one of the oldest and most European cities in the Netherlands: Maastricht. The lively city is located along the river Meuse and within easy access of Amsterdam, Brussels, Cologne, Frankfurt, London and Paris. The city hosts many international students.

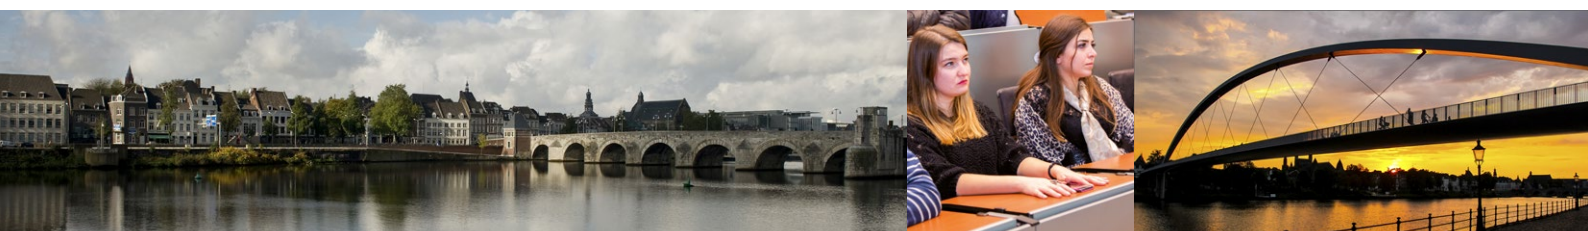

- **Exposure to the regional business community**

Through the interactive work visits, you will gain exposure to great companies and organizations in the broader Maastricht region, exemplifying successful global business and management.

- **Enjoy high quality education by MSM's international faculty**

MSM's MBA programs are internationally accredited which means you can be assured that the courses meet high global standards. You will be taught by MSM's highly qualified international faculty who have a wealth of experience in teaching around the globe.

**In case Covid-19 circumstances require, on-campus teaching might be adjusted to hybrid or online teaching.*

Working together for better global management
