BARCELONA

Alexia Vanlaere

*TBS Education Student,
 BARCELONA CAMPUS*

I'm in the first year of my Master's degree and decided to study on the Barcelona campus. The city is truly wonderful. There are a lot of activities and places to discover and it's very international. This is exactly why I chose the campus, but also because I wanted to study the "International Business in Latin America" option, which offers an overall vision of Latin America.

I'll only stay 4 months, which is really short, as I really start to like it and I'm even thinking of finding a job here after my graduation.
