EDUCATION**

Are you eligible?

To apply for a Master's in Management, you need to hold a non-French undergraduate degree that must be:

- Awarded by a nationally accredited higher education institution
- Awarded after at least 3 years of higher education outside France (Licence, Bachelor, Benke)

Applicants in their final year of study may submit an application as long as they provide valid proof of enrollment

The 5 Business Schools rank among the top Business Schools for the Master's in Management in the Financial Times and Shanghai Ranking.

More than 90% of graduates of the Master's in Management are employed 6 months after their graduation.
