

IU International

ON CAMPUS AT IU

STUDY IN GERMANY AND BOOST YOUR CAREER

At **IU International University of Applied Sciences**, get top-tier education with a lifestyle-focused campus experience. Enjoy a **mix of online and in-person learning** in small study groups with dedicated tutors.

Our campuses in Berlin and Bad Honnef offer a taste of European life. Plus, Germany welcomes graduates with **post-study work visa options** that are **valid for 18 months after your final semester** on campus. Study your way and get the most out of your time in Germany.

Embrace flexibility in your academic journey

Start your education at your pace with four intakes yearly. On-campus students, benefit from in-person tutorials and 24/7 access to study materials via IU Learn App.

Embark on a global adventure in Germany

Study in Germany, network with global citizens and broaden your horizons! If you complete your final semester on campus in Germany, you're eligible for an 18-month post-study visa.

Learn and secure exciting opportunities

Gain practical skills from your professors, who are experts in the industry, and take advantage of our extensive career services.
