*« In line with our institutional signature «Make an impact», we believe that research is only useful if it is made accessible to our students, applied to the professional world and fed into public debate. Our dissemination strategy consists of constantly adapting the knowledge we produce to the environment for which it is intended. It is based on the initiatives and individual research of our professors and researchers, on the actions and productions of our centres and chairs, but also on our portal dedicated to the promotion of knowledge, EDHEC Vox. In this way, the research activity irrigates numerous sectors of activity, inspires professionals from all horizons, and nourishes the students of our programmes with innovative knowledge ».*

# THRIVE IN YOUR NEW STUDENT ENVIRONMENT

International and connected to the major international economic centres, our campuses are places of learning, work, sharing and conviviality, designed to offer everyone the best conditions to express themselves and succeed in their studies.

## LILLE

The Lille Campus, which is eco-friendly, entrepreneurial and within easy access from the city, embodies both the dynamism of the EDHEC Business School and its innovative strategy. The campus welcomes 4,000 students (one third of whom come from abroad) every year, and provides cutting-edge equipment such as its digital networked library and its trading room, which is a key factor in the learning-by-experience system that has been specifically implemented in France.

## OUR CAMPUSES IN FRANCE

«The Nice campus is conveniently located near the airport, 20 minutes by tram to the old town and 5 minutes' walk to the beach. Although the Nice campus is small, it has complete facilities, including a library, study rooms and meeting rooms. There are also tourist attractions such as Cannes, la Provence and Monaco around Nice. In my leisure time, I like to go for a walk on the beach, the blue sea makes me feel happy!»

## SETTLING IN FRANCE MADE EASY

Moving to a foreign country can be daunting. It is reassuring, therefore, to know that you can rely on the International Students Office (ISO), which welcomes more than 2,000 international students annually, to help you settle in smoothly. The ISO team helps EDHEC's international students with all kinds of administrative matters and is there to lend them support in daily life.

### INTERNATIONAL STUDENTS OFFICE

— A team you can trust

The ISO assists students with all administrative procedures prior to their arrival on campus and helps them to adapt to life in France. To support students during their transition, ISO organises webinars on accommodation and visa topics. The team is ready to help students with questions related to immigration, the French medical system, medical insurance, opening a bank account and much more.

### ACCOMMODATION

— Finding you a home away from home

The ISO helps students to find suitable accommodation and assists them in communicating with landlords throughout their stay in France in case of any language barriers.

### SETTLING IN

— Meeting your new friends

Each year, the International Students Office organises orientation events and integration seminars to welcome international students to the EDHEC campuses. We also provide a free transfer service for international students from the train station or airport in Nice or Lille to their chosen accommodation.

### VISAS AND RESIDENCE PERMITS

— Untangling the red tape

#### EU nationals

European Union students can live and study in France as long as they have a national ID card. No passport or visa are required.

#### Non-EU nationals

Before arriving in France, students from outside the European Union must have a valid passport from their country of origin. They must also obtain a student visa from the French embassy or consulate in their country of origin or permanent residence.

### FRENCH CLASSES

— Parlez-vous français ?

French language courses are offered free of charge to facilitate your stay in France.

EDHEC's Masters of Science are accredited by CEFDG conferring the grade Master level from the French Ministry of Higher Education. Enrolled students are eligible for an Autorisation provisoire de séjour (APS) or Carte de séjour recherche d'emploi - création d'entreprise (CSRCE), at the end of the programme.
