

Admissions process

Students holding at least one of the following degrees are eligible, depending on the program:

 A 4-year Bachelor's degree or a French M1 degree

 A 3-year Bachelor's degree

To apply, students must submit an online application on our dedicated platform. They will then be invited to take the emlyon business school digital tests.

Visit our website masters.em-lyon.com for more information on the admission process specific to each of our programs.

Step 1: Your application file

Mandatory documents for Master of Science programs and Master's Degrees

- A resume / CV
- A copy of an official, valid identity card or passport
- A certified copy of all degrees obtained in a higher education institution (in English or French)
- A copy of your enrollment certificate for applicants currently enrolled in higher education
- A certified copy of your transcripts from the first year of your undergraduate education until now

Additional mandatory documents for the 4 Master's Degrees and the MSc in Financial & Business Performance

- An official management aptitude test score: GMAT, GMAT Online, GMAT focus edition, GRE, GRE test at Home, TAGE MAGE
- An official, valid English proficiency test of under 5 years: TOEFL, TOEIC, IELTS, Cambridge

• Recommendation and motivation letters are highly encouraged

Step 2: Your digital tests

Once your online application file is complete and checked by the Admissions team, you will be invited to take a series of digital tests linked to the program you are applying to and in line with emlyon business school's maker spirit. These tests may include cognitive assessments, professional role-playing exercises, multiple-choice questions, video and/or written questions depending on the program.

To find out more about these tests, you can contact your Program Advisor.

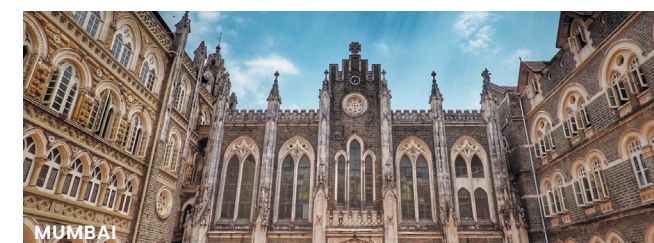

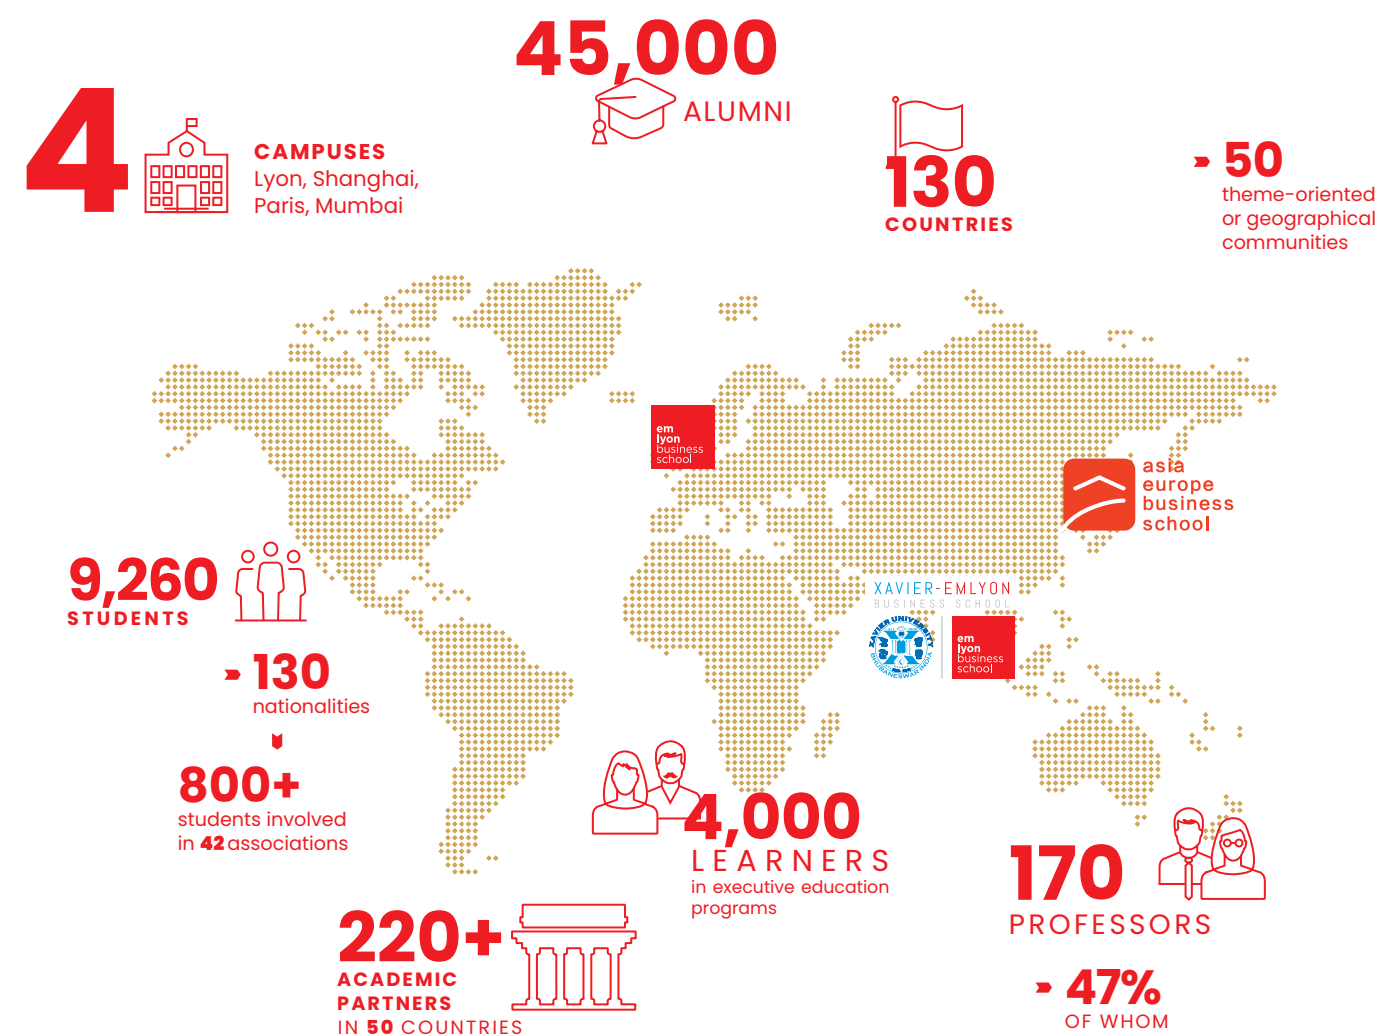

Application fee

The application fee for the 2025 intake is set at €120, payable directly by credit card through the online application system.
