

THINK FUTURE.

STUDY ON THE WEST COAST OF FINLAND

In the happiest country in the world

BUSINESS | ENGINEERING | HEALTH CARE | TOURISM

Satakunta University of Applied Sciences

SATAKUNTA FINLAND

CHOOSE SATAKUNTA

Satakunta University of Applied Sciences, SAMK, is located on the west coast of Finland, in the Satakunta region. The campuses are located in Pori and Rauma. The towns are big enough to offer you all the necessary services but also small enough to have a cozy and friendly atmosphere.

IDEAL PLACE TO STUDY

Satakunta region is free of traffic jams, we have fantastic nature and affordable living costs. In Satakunta, you will study and live in a very clean, safe and peaceful environment.

HIGH DEMAND FOR LABOUR

Satakunta is one of the most industrialised and export-oriented provinces in Finland. In Satakunta region, there is a huge demand for tech-talented people, and social and health care professionals.

CHOOSE SAMK

At SAMK, you will be part of a diverse and international community. Here you can study to become an expert in business, engineering, health care, and tourism. We offer you high-quality education that focuses on hands-on studies and building working-life connections. We give you tools for creating your own future.

HIGH QUALITY OF EDUCATION

We use modern facilities, learning tools and methods. You will be supported and encouraged throughout your study journey. SAMK is known for its quality of education. Our students have ranked us among the best in the quality of education in Finland.

SAMK STUDENTS WILL BE EMPLOYED

At SAMK, you will get practical experience and a degree that helps you land jobs both in Finland and globally. Most of our students find a permanent job right after graduation from SAMK. One year after graduation, over 80% of graduates have found a job.
