

DARE TO BE YOU

STUDY AT THE UNIVERSITY OF HELSINKI

JOIN ONE OF THE TOP 1% UNIVERSITIES IN THE WORLD

As one of the world's leading multidisciplinary research universities, the University of Helsinki generates knowledge for the benefit of society. Our degree programmes also link to research efforts that are key to building a better, more sustainable world. With us, you too can make a difference with the power of knowledge - study for the world.

In our degree programmes, you will learn from leading researchers and have the opportunity to participate in world-class research. Our multidisciplinary approach gives you the freedom to choose from thousands of courses in a wide range of disciplines, allowing you to tailor your degree to your strengths and interests.

” When I began my studies, I was like a child in a sweet shop. I valued the broad selection of courses and the freedom to choose the ones that were most useful to me.
— Master's graduate in European and Nordic Studies

MAKE THE MOST OF STUDENT LIFE IN HELSINKI

As a student and member of the Student Union of the University of Helsinki, you enjoy many benefits such as affordable housing, basic healthcare services and student-discounts on meals, sports activities and public transport fares. Over 240 student organisations offer extracurricular activities and networking opportunities.

” **There are plenty of activities organised by students. It’s not hard to make friends or find a new hobby.**
— Master’s student in Geology and Geophysics

” **The absence of hierarchy between staff and students is great. Students have freedom to express themselves and are encouraged to develop themselves instead of competing with others.**
— Master’s Graduate in Atmospheric Sciences

Experience the Nordic way of living in Finland’s capital Helsinki where urban life and nature are at your doorstep. The city, known for its excellent air quality, efficient public transport and high-quality of life, offers the freedom to live a life that looks like you without compromising.

” **Work-life balance is great in Finland. Although the university ranks high, you have time to relax and there is a lot to do in Helsinki.**
