CAREER SUPPORT

Annual Job Fair

Learning to network and to apply for jobs in the Netherlands by directly meeting companies and following diverse career-skill trainings.

Guest Lectures

Connecting with experts in the field and learning from their real-life experience. Expanding professional network as a student.

Real-life Projects

Exercising knowledge and skills to solve real-life projects creatively and learning the skills that books don't teach.

Internships

Learning all about working in a real environment with a paid internship that can lead to the right job after graduation.

Career Development

Advancing careers with company visits, volunteering, global networking lunches, intensive Dutch courses, professional workshops and weekly job search articles.
