European University

Why study at one European city when you can study at 10?!

NCU students, thanks to the Young Universities for the Future of Europe alliance (YUFE), students can pursue courses offered by partner institutions, allowing to study in Paris, Madrid, Bremen and other places virtually. A term abroad is also possible!

NEW

In 2025 we will open a new international bachelor programme on Urban Sustainability taking place at a few European Universities at once. Stay tuned!

NCU Quality

Our University is listed in top world rankings:

And our faculties have Eurolabel and accreditations:

About the University

NCU was established in 1945 and in 2025 it will celebrate 80th anniversary. It has been a time of continued growth, training generations of scientists, and conducting groundbreaking research. It is located in two cities: Toruń and Bydgoszcz. In the campus of Toruń there are 13 faculties, and there are 3 medical faculties in Bydgoszcz.

Torun is a UNESCO-listed Gothic gem, famous for being a Copernicus birthplace and... gingerbreads!

Bydgoszcz located on the Brda River and ringed by renovated historical buildings, hosts numerous festivals, and fairs.
